

## Oak Benefit Wine Pull & Wine Auction

As part of this year's Oak Benefit, we will have a Wine Pull and cases of wine for auction at the Night Owl event on April 13<sup>th</sup> at Hinsdale Golf Club. We would love to have your support in making this a success. We are asking that anytime between NOW and April 9<sup>th</sup>, simply purchase wine at Hinsdale Wine Shop to be donated to our Wine Pull and/or auction. In turn, Hinsdale Wine Shop will donate 10% of the sale proceeds to the PTO.

Here is the process:

1. Determine your budget for the wine(s) you'd like to donate. We are asking for a minimum of \$25 per bottle.
2. Stop into or call Hinsdale Wine Shop and they will help you select a great bottle(s). All bottles donated will be either used in the Wine Pull or selected to be included in the cases for auction.
3. Wines you purchase will be stored at the Hinsdale Wine Shop until the day of the event, when Hinsdale Wine Shop will deliver the bottles to HGC for the event.
4. 10% of the purchase price of the final collection will be given back to the PTO.
5. Go to [www.e.gesture.com/events/74K/](http://www.e.gesture.com/events/74K/), click on *Items*, and purchase a wine pull chance(s) OR At the event, attendees can pay \$25 for a ticket to randomly select a bottle of wine and/or can bid on the cases listed in the auction.

\* Please note, we will also accept wine donations from your personal collection—please contact us directly and we will arrange pickup.
